Primary Workshops

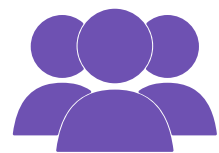

approx. 4140 pupils from 39 schools across Hertfordshire have engaged with our workshops this year

Maths SATS Workshops

Quote from a HT in Luton:

'I am pleased to let you know that our SATs results this year were some of our best ever and a big increase on last year. The percentage of children getting the expected standard or higher in Maths rose from 73% to 80% and those getting Greater Depth in Maths went from 30% to 35%. (National figures for this year for Maths are 74% and 26% respectively).'

4140

children took part in a Primary Workshop
Not including Maths.

138

Workshop sessions run in Primary Schools this academic year!
