

**Become a project mentor today!**

**Every great  
achiever is  
inspired by a  
great mentor**

**2025/2026**

### **What is a Research STEM student mentor?**

You will host a Year 12 student during the summer holidays in support of our Research STEM programme. Providing a **2 week** on-site, hybrid or virtual research/investigation project.

#### **Benefits:**

- Develop your coaching/management skills CPD for early career researchers and employees
- Showcase your research to a wider audience
- Improve communication skills
- Demonstrate public engagement and develop links with local schools
- Inspire someone to take up a STEM degree or Apprenticeship
- Bolster your talent pipeline
